

Attendance Policy 2021 - 2022

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents/ carers to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

The Meadows strives to provide a welcoming, caring environment, whereby each member of the school community feels secure and develops a sense of belonging.

We believe that all students benefit from the education we provide, and therefore from regular attendance. The aim of our attendance policy is to provide a consistent practice that encourages and facilitates the regular attendance of all pupils.

All school staff will work with pupils and their families to support parents in helping them to meet their legal duty; to ensure that their children attend school regularly and on time. A whole school attendance target of 92% has been set for the academic year 2021/2022 and various measures will be put in place to help work towards this.

The school has an effective system that acknowledges the efforts of pupils to improve their attendance. We aim to problem solve with pupils and parents who struggle to achieve and sustain productive levels of attendance.

This policy has been reviewed and rewritten in line with the DFE 'School attendance Departmental advice for maintained schools, academies, independent schools and local authorities' and 'School attendance parental responsibility measures'.

Attendance and Attainment

We recognise that the relationship between attendance and achievement of our students is inextricably linked. Regular school attendance is crucial to maximise pupil progress and enjoyment of learning, and for this reason the school is dedicated to ensuring its attendance policy is adhered to.

We will ensure that:

- All students have an equal right, and access to, an education in accordance with the national curriculum, or agreed alternative.
- Students will not be deprived of their education opportunities by, either their own absence or lateness, or that of students.
- Action is taken where necessary to secure an improvement in attendance.

The Law

You need to make sure your child attends school regularly and on time. Because parents / carers are responsible for this duty in law, you will be breaking the law if you do not do this and there are no good reasons for missing school.

The School and Local Authority want to help you if you have a problem. If attendance does not get better or you do not accept help and support offered, the Council may issue you with a warning notice, Penalty Notice or ask you to attend an interview to ask you questions about whether you have broken the law.

If you go to court and are found guilty of an offence, you could be fined up to £1,000 for a less serious offence or up to £2,500 if the law breaking is more serious. In very serious cases, the court may involve the probation service or consider up to 3 months in prison.

School Procedures

Attendance register

By law, all schools are required to keep an attendance register, and all pupils must be placed on this register. The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Unplanned absence

Telephone 01388 811178

If a child is ill or is absent for any reason, parents / carers must phone the School Office giving a reason for the child's absence. If a child is absent from school and there is no phone call from home then school will contact home to inform parents that the child is not in school and enquire about a reason why

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

Periods of extended absence

If a child's absence continues beyond 3 days then parents are requested to notify the school to update them. If a phone call is not received then the school will contact home to verify the absence. If the school receives no reason for any absence then an unauthorised absence will be recorded. Continued absenteeism and unauthorised absences could result in further action such as referral to the Attendance Improvement Team to consider enforcement action and possibly a fixed penalty notice (this includes unauthorised absences accrued through leave of absence taken during term time).

Reporting to parents/ carers

We will report to parents and carers each term and through formal reviews in school for example for Education Health Care Plan, Personal Education Plans and Looked After Reviews.

Attendance Procedures

Communication

The school will always try to communicate with you regarding your child's attendance if it declines. This communication may involve explaining that attendance is a cause for concern by letter, making telephone calls to you, and inviting you to attend a meeting in school depending on the circumstances. The school will work with you to discuss ways that we can offer support in finding a way to improve the situation.

If a pupil's absence is a concern we will contact parents /carers to discuss and problem solve. If after this a pupil's absence continues to rise, we will consider involving an outside agency to offer support.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

We will contact if a pupil is absent without reason and provide information and feedback.

Enforcement Action:

If, following the schools attempts to intervene there is no significant improvement and no good reasons for absences (i.e. absences are not supported by relevant evidence), or you have not co-operated with the school’s attempts to improve the situation the school is required to consider referring the matter to the Local Authority for enforcement action.

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The High Court has confirmed that the school’s Head Teacher authorises absences. If your child misses school a lot because of illness, or if school does not know of any serious health issue that would mean your child could miss school a lot, the school may ask you to provide medical evidence to authorise absences.

We are committed to supporting your child effectively, to ensure that they get the very best education possible and therefore have the best life chances. All challenges made concerning persistent absences, will be handled sensitively and in confidence.

Leave of Absence in Term Time:

Head teachers are no longer able to grant leave of absence during term time unless there are exceptional circumstances. The school will consider each request of absence individually; taking into account the circumstances, such as; the nature of the event for which leave is sought, the pupil’s prior attendance and any important events taking place in school at that time e.g. termly tests.

An application for leave of absence must be made well in advance via a form which is available from the school office. Where a leave of absence is granted, the head teacher will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the Head Teacher’s discretion. As stated in the most recent DFE guidance on attendance, if an application for leave of absence is not made prior to the time of the required absence then the absence will be recorded as unauthorised regardless of circumstances.

Please note that absence will not be authorised under any circumstances during any period of public examinations or internal assessments.

Promoting good attendance and punctuality:

Tutor group have attendance information each week so that groups can see how they are doing in comparison to others and to celebrate good attendance and improving attendance. Pupils who achieve 99-100% attendance over each half term will receive a certificate and prize. The success of pupils with 95 -100% are noted on a display in school. Attendance percentages will be shared with parents on request and through review meetings.

Children Missing from Education:

If you move from the area and your whereabouts are unknown, the school can legally remove your child from the roll after 20 school days of unauthorised absence. It is vital that you keep school informed of any change of details and regularly update them if details change. Your child may be at risk of losing their school place if your whereabouts are not known.

It is also important that emergency contact information is kept up to date and that if you are leaving the area, you provide details of where and how you can be contacted. If you do not do this and the school is unable to trace your child, this would be treated as a safeguarding matter.

Roles and Responsibilities

Governing Body:

As part of our school approach to maintaining high attendance, the governing body will:

- Ensure regular meetings of the behaviour and attendance sub-committee take place and they will take the lead role in monitoring attendance and coordinating provision and policies for attendance. The governor's meetings will review and discuss attendance issues that have arisen in order to be fully aware and supportive of expected attendance targets for the year.
- Ensure that the school is implementing effective means of recording attendance and organising that data, including for children who are educated off site.

School Leadership Team:

- Engage with their children’s education – support their learning and take an interest in what they have been doing at school.
- Promote the value of good education and the importance of regular school attendance at home.
- Follow the procedures outlined in this policy regarding absences, ill health, medical or dental appointments, leave of absence in term time and punctuality.
- Do everything they can to prevent unnecessary school absences.
- Keep the school informed of any circumstances which may affect their child’s attendance and work with staff in resolving any issues that may be having an impact on their child.
- Enforce a regular routine at home so that the child is used to consistency and the school becomes part of that routine. It is vital that the child receives the same messages at home as they do at school about the importance of attendance.
